August News:

Saks Elementary has asked us to help by donating bottles of water for their students. Due to COVID-19, the school has had to turn off all water fountains, but they would like to be able to supply water to students in the form of water bottles. So let's help them out and bring in bottles of water throughout the month of August. Small or large bottles of water

would be a great help. You may put the donated water in the blue bins in the sanctuary foyer. Thank you for being a blessing to our Saks students!

Due to COVID-19 restrictions at this time, we are pushing our AWANA Kick-off date back until September. We are anticipating doing our kick-off registration September 9, 6:30-7:30 PM. Look for more details in the September newsletter.

VBS Update:

Many Thanks to the 50 Volunteers that helped to make this year's VBS possible! Ministry doesn't happen without great volunteers, and we have the best volunteers in Calhoun county! We had a wonderful VBS with 30 students and 9 professions of faith, and raised over $600 for the Katie Beth Carter Memorial School in Nicaragua. We praise God for His Goodness, Blessings and Provisions! God is good!

Our follow-up VBS outreach is August 9-15. Bags will be ready in the Sanctuary foyer for people to pick up and make door stop visits anytime that week. If kids/parents are not home, simply leave the bag on their front door knob. The goal is to make a door stop visit to each kid/family that attended VBS.
